What makes this present a real gift is that it can be used to purchase products of all kinds. It’s up to you whether you want to use your vouchers to pay for necessities, or instead splurge on something extra. Or maybe you would rather spoil one of your loved ones? In any case, don’t forget to check beforehand which stores accept your Monizze gift vouchers (see point 5.)

Interior design

If you have upgrades planned for your house, you’ll be happy paint to freshen up a child’s bedroom to the new curtains for the living room... There are so many possibilities that you soon might not recognize your own home! A new shirt for the gentleman, a nice summer dress for the lady, cute pajamas for the little ones... And maybe warm socks for the whole family? Many stores that sell clothing and accessories accept the Monizze gift vouchers. You have no more excuse to say that you don’t have anything to wear!

Gardening

To bring life to your balcony, your garden or your windowsill, there’s nothing better than a plant or two. If you have a working on that vegetable patch of yours. Or you might just buy a cactus, which is most likely to survive. Another option

is to buy a chaise longue on which to lounge while you watch someone else take care of the gardening. It's all up to you!

For the little ones

Gift vouchers are often granted for Saint-Nicholas or the winter holidays. These are generally times when we like to spoil our children, sometimes to the detriment of our wallets. So why not turn a gift for you into a gift for your little ones? Your vouchers can be used to buy them all kinds of clothes, books or toys!
